7. FEDERAL REQUIREMENTS

Helpful Hint: We strongly urge you to consult legal counsel in answering the questions below. The summaries below are not intended to be or to replace legal advice on your particular group. It is the group's responsibility to inform Premera immediately if facts change that would cause the group's answers below to change.

A. Is the group subject to the federal Medicare secondary payer (MSP) laws that prohibit discrimination against individuals with group coverage based on their (or a spouse's) current employment status who have Medicare due to age?

1. ☐ Yes. This plan will pay primary to Medicare as required by federal law.

☐ No. Under 20 employees.

2. Please also provide the number of employees who now meet Medicare's definition of "employee." ______

Helpful Hint: *These laws do not apply to any employer who did not employ 20 employees or more for each working day in each of 20 or more calendar weeks in either the current **or** preceding calendar year. For these small group plans, Medicare pays primary to the group plan.*

"Employees" include all full-time and part-time employees as well as those employees on disability and subject to FICA taxes. Also count leased employees if they would be counted as employees under §414(n)(2) of the Internal Revenue Code (IRC), and count employees employed by an "affiliated service group" under IRC §414(m), or by employers considered to be a "single employer" under IRC §52(a) or (b).

B. Is the group subject to COBRA?

☐ Yes

☐ No. Give the legal reason for exemption: ______

Helpful Hint: *Generally, these laws apply to any non-church employer that employed 20 or more employees on at least 50% of its working days in the preceding calendar year.*

"Employees" are full-time and part-time common-law employees. Self-employed workers as defined in IRC §401has(1), corporate directors, or independent contractors should not be counted unless they qualify as common-law employees. "Employees" may also include leased employees who qualify as common-law employees. Please see COBRA regulations at 26 CFR § 54.4980B-2 Q/A 5 for guidance on counting a part-time employee as a fraction of a full-time employee.

C. Is the group subject to the federal Medicare secondary payer (MSP) laws that prohibit discrimination against individuals with group coverage based on their (or a family member's) current employment status who have Medicare due to disability?

1. ☐ Yes. This plan will pay primary to Medicare as required by federal law.

☐ No. Under 100 employees.

2. Please also provide the number of employees who now meet Medicare's definition of "employee."

Helpful Hint: *Generally, these laws apply to any employer that employed at least 100 employees on 50% or more of its working days in the preceding calendar year. See the helpful hint in **6** above for a definition of "employee" for this purpose.*

D. Is the group subject to ERISA (Employee Retirement Income Security Act)?

☐ Yes. Enter the month the ERISA plan year ends: Month ______________________

☐ No. Give the legal reason for exemption: ☐ Government or public plan ☐ Church plan

☐ Other, please specify: ______________________

Helpful Hint: *Generally, ERISA applies to all employer health plans except governmental, public, or church plans. Nonprofit status alone does not exempt an employer from ERISA.*
