

Instructions for requesting reimbursement

Use the Claim Reimbursement Request form when you have expenses from a provider who does not bill Premera directly. If you'd like to request reimbursement for your prescriptions, use the Prescription Drug Reimbursement form instead.

This form can be used for requesting reimbursement on the following types of claims:

- Medical care
- Durable medical equipment (DME) (such as breast pumps, crutches, wheelchairs)
- International services received outside of the United States

Checklist of required documents

If you're requesting reimbursement for medical care or durable medical equipment, please include:

- Proof of payment (if applicable)
- An itemized bill, including:
 - Name of the patient
 - Diagnosis code (ICD-10). You can get this from your provider
 - Date(s) of service
 - Procedure code (CPT-4, HCPCS, ADA, or UB-04). You can get this from your provider
 - Name, address, and IRS tax ID of the provider
 - Itemized charge for each service received

Notes: Any highlights or modifications to your bill may cause a delay in processing your claim. One member per claim form. If same provider, you can use one claim form to submit for multiple dates of service.
