AIM Specialty Health[®], ("AIM") is an independent company that manages imaging services for Premera Blue Cross.

019114 (08-2013) – PBC

Order Entry Checklist

Please utilize the checklist below as a guide to ensure you have all the necessary information prior to requesting an order number from AIM:

- ✓ **Member identification number, name, and date of birth**
- ✓ **Ordering physician information**
- ✓ **Imaging provider information**
- ✓ **Imaging exams being requested** (*body part, right, left, or bilateral*)
- ✓ **Patient diagnosis** (*suspected or confirmed*)
- ✓ **Clinical symptoms/indications** (*intensity/duration*)
- ✓ **Results of past treatment history** (*previous tests, duration of previous therapy, relevant clinical medical history*)

To assist the imaging provider, please obtain an order number prior to scheduling. Imaging providers can verify an order number has been issued via AIM's website or call center. Please contact the ordering physician to initiate an order request if no case exists. The order does not replace any other precertification requirements or stipulations under the patient's contract.
