

ANNUAL CORPORATE giving

Premera Blue Cross

At Premera, we're committed not only to improving the health of our members, but we're also dedicated to making a difference in the communities we serve. Premera supports community programs and events each year with financial and in-kind donations, as well as volunteer time.

In the last eight years, our family of companies has contributed, in the states it serves, the following in support of community-based programs and events. Many of these programs and events focus on health and wellness.
