If you are a new applicant, or you are adding your spouse, your completed application MUST ALSO be approved by Premera.

I certify that neither I nor my spouse, for whom I have made application for coverage, have not used tobacco products on average of four or more times per week within the last 6 months preceding the date of this certification.

I understand that this entitles me to the discounted subscription charges applicable to non-tobacco users, for my Premera Individual Plan.

I understand that Premera may require me to re-certify my/our non-tobacco user status in the future, but not more often than once every year.

I understand that I must inform the Membership and Billing Department at Premera, at once, in writing, if I or my spouse begin or resume using tobacco products.

I understand that subscription charges will increase to the full undiscounted rate on the first of the month following the month in which I or my spouse, begin or resume using tobacco products, notwithstanding any provisions of my Individual Contract to the contrary.

I understand that if I fail to truthfully and accurately complete this certification, Premera may adjust my subscription charges retroactively to the full, undiscounted rate. Upon written notification, I must reimburse Premera any amounts reduced from my subscription charges for the period for which I claimed eligibility for the "Tobacco Use Discount." If reimbursement is not made, such amounts will be deducted from future claims and from subscription charges already paid.
