☐ **URGENT REQUEST**

PLEASE NOTE: Scheduling issues do not meet the definition of urgent.

Urgent requests must be signed and include supporting documentation from the provider's office, noting that standard timeframes for making a non-urgent determination could:

- Seriously jeopardize the life/health of the patient or the ability to regain maximum function, **or**
- Seriously jeopardize the life, health or safety of the member or others, due to the member's psychological state, **or**
- In the opinion of a provider with knowledge of the member's medical or behavioral condition, subject the patient to adverse health consequences without the requested care or treatment.

I attest that this request meets the urgent definition described above: MD signature: _____
