Heritage Prime Network

This provider network is available to groups with 51+ employees

Premera's Heritage Prime network is ideal if you want to offer your employees a high-benefit, low-cost plan with easy access to providers within Washington state. Your employees can even get care when they work or travel outside of Washington through the benefits of having a Premera Blue Cross health plan.

Key benefits

1. Good Access
   - There are 34,765 in-network providers across Washington state, including doctors, hospitals, and other facilities. Includes access to the BlueCard Program for care outside of Washington.

2. Lower Costs
   - Providers in the Heritage Prime network have contracted with Premera to keep the total cost of care low.
   - Your company could save up to 5% on premiums.*
   - Your employees could save up to 5% on out-of-pocket costs.*

3. Quality Care
   - Providers in the Heritage Prime network commit to providing customers with the care they need, when they need it, and in the right way.

4. Easy Search
   - Your employees will pay less whenever they use in-network providers. The Find a Doctor tool on premera.com makes it easy to search for in-network doctors, hospitals, and other providers.

Help your employees use the Find a Doctor tool by visiting B’link, Premera’s online resource center for employers. B’link provides a customizable flyer, copy-and-share messages, and other simple tools. Visit the B’link website at blink.premera.com.

*Cost savings are based on a comparison with Heritage, Premera’s largest provider network. Actual savings will vary based on the location of Washington employees and type of services.
