Section 1 – Introduction

This directory provides a current list of Premera Blue Cross Medicare Advantage network dental providers. To get detailed information about your healthcare coverage, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your dental care. You may go to any of our dental network providers listed in this directory. If you have been going to one dental network provider, you are not required to continue to go that same provider. You may get covered services from non-network providers within our service area. Please reference the Evidence of Coverage for more information.

If an out-of-network dental provider asks you to pay for covered services, please call Customer Service before paying at 888-850-8526 (TTY: 711) 8 a.m. to 8 p.m., 7 days per week from October 1 through March 31; or 8 a.m. to 8 p.m., Monday through Friday from April 1 to September 30.

If you use an out of network dental provider and you pay out of pocket you can submit the Dental Claim Reimbursement Payment Consideration Form located at Premera.com/documents/P2020160.pdf or Premera.com/ma and search under our Forms & Documents section.

Mail the completed form with either the American Dental Association (ADA) form or itemized statement to:

Premera Blue Cross Medicare Advantage
PO Box 981743
El Paso, TX 79998-1743

In an emergency, you can get care immediately. You do not have to contact your PCP or get authorization in an emergency. Call 911 for immediate help or go directly to the nearest emergency room, hospital, or urgent care center.

You may get covered emergency care whenever you need it. Our plans cover emergency ambulance services in situations where getting to the emergency room in any other way could endanger your health. Emergency care is covered worldwide.

If you have an emergency, we will talk with the providers who are giving you emergency care to help manage and follow up on your care. The providers who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Under Premera Blue Cross Medicare Advantage plans, your follow-up care will need to be provided by an in-network provider to be covered by our plan. If

your emergency care is provided by out-of-network providers, we will try to arrange for in-network providers to take over care as soon as your medical condition and the circumstances allow. In most cases, follow-up care is covered only if it is provided in the United States. Please consult your EOC or Summary of Benefits for additional details.
