

Premera medical + dental

the right combination for your
small group business

Together, Premera's medical and dental plans encourage healthy habits and better outcomes, provide a robust network of medical and dental providers, and reduce your administrative burden with an integrated, consistent experience.

Whole Health Approach

- Offering both medical and dental plans with Premera helps members manage their overall health, which can reduce your medical and dental claims.
- Premera dental plans encourage preventive care and good oral health habits, which can improve health outcomes.

Robust Network

- Strong medical and dental networks include access to nationwide in-network providers.
- Easy to navigate **Find a Doctor** tool for employees and dependents to find the right in-network providers, which can reduce their costs—and yours.

One Consistent Experience

When offering both Premera medical and dental plans, you get a streamlined experience for administrators and covered employees and dependents. And remember, our small group medical plans already include pediatric dental coverage as a required essential health benefit under the affordable care act (ACA).
