

Heritage Signature Network

Access to quality care, lower costs, and a better healthcare experience

When the Heritage Signature network is part of your health plan from Premera Blue Cross, you get the quality care you need for a lower total cost—all with a focus on a great customer experience.

Quality care: Heritage Signature provides access to more than 33,000 providers across Washington. These providers include doctors, hospitals, and other facilities that are committed to providing customers with the care they need, when they need it, and in the right way.

Lower costs: Providers in the Heritage Signature network have contracted with Premera to keep the total cost of care low. A family of four could save on average \$1,800 per year with the Heritage Signature network compared with our broader Heritage network.

Better customer experience: Providers in the Heritage Signature network share Premera's commitment to put the customer at the center of all we do. That means we're all focused on providing a good healthcare experience for our customers.

Find a Doctor can help keep your costs low

Customers with the Heritage Signature network always pay less when they visit a provider within the Signature network. It's simple and easy to find in-network care with the Find a Doctor tool. Go to premera.com and select the Find a Doctor tab. Then click on Find a Doctor, Dentist, and More.
