

FOR EMPLOYEES

## Guide to Heritage Signature network starting Jan. 1, 2017

With your health plan from Premera Blue Cross, you have access to doctors, clinics, and hospitals in the Heritage Signature network. The Heritage Signature network will change in the new year.

### What's changing

Starting Jan. 1, 2017, the Heritage Signature network will no longer include CHI Franciscan Health and Providence Health & Services. This includes Swedish Health Services, Swedish Edmonds, and PacMed systems. These changes impact only Providence and CHI Franciscan in Washington state.

Although Harrison Medical Center, The Doctors Clinic, and Franciscan Medical Group in Kitsap County are affiliated with CHI Franciscan Health, they will remain part of the Heritage Signature network to ensure members have in-network options for care.

### What's staying the same

You will continue to have access to quality care with a focus on managed costs and a better customer experience.

- Heritage Signature includes more than 33,000 providers across Washington state who are committed to providing customers with the care they need, when they need it, and in the right way.
- The doctors and hospitals in Heritage Signature have contracts with Premera to keep the total cost of care as low as possible.
- Providers in the Heritage Signature network share Premera's commitment to put the customer at the center of all we do. That means we're all focused on providing a good healthcare experience for you.

### Tips

- Your out-of-pocket costs will be lower if you choose a doctor or hospital in the Heritage Signature network.
- To understand which doctors and facilities are in Heritage Signature on Jan. 1, 2017, use the Find a Doctor tool at [premera.com](http://premera.com) and select Heritage Signature as your network.
- If you choose to receive non-emergency care from a CHI Franciscan Health or Providence doctor or facility in 2017, you could pay higher costs.
