

FOR EMPLOYERS

Heritage or Heritage Prime

Which provider network is right for your business?

Premera Blue Cross provides a choice of networks so you can select the level of coverage that works best for your employee and business needs.

Heritage

Available to groups with 51+ employees

- Our broadest provider network with access to over 90 hospitals and over 8,300 primary care doctors in Washington state¹
- Includes access to Kinwell advanced primary care clinics
- Includes CHI Franciscan Health and Providence Health & Services systems:
 - Providence Hospitals and Physicians
 - Kadlec Regional Medical and Clinic
 - Swedish Hospitals and Physicians
 - Pacific Medical Centers
- Competitive network pricing and discounts

Consider choosing Heritage if:

- Having access to the most providers in Washington state is important to your employees
- Your employees live in an area where it's important to have in-network access to CHI Franciscan Health and Providence Health & Services

Heritage Prime

Available to groups with 51+ employees

- Our large provider network with access to more than 42,000 practitioners including over 7,600 primary care doctors in Washington state²
- Includes access to Kinwell advanced primary care clinics
- Does NOT include CHI Franciscan Health and Providence Health & Services systems³
- Offers significant savings—your company could save up to 5% on premiums and your employees could save up to 5% on out-of-pocket costs⁴

Consider choosing Heritage Prime if:

- Offering the lowest-cost plan to your employees is more important than having the broadest access
- If the majority of your employees don't need in-network access to CHI Franciscan Health and Providence Health & Services

Both provider network options include the BlueCard® program – giving your employees national and worldwide access to participating doctors and hospitals.

¹Heritage network includes 47,560 providers. This includes 9,381 primary care providers and 95 hospitals. Network counts are as of July 2023. ²Heritage Prime network includes 42,468 providers. This includes 7,662 primary care providers and 74 hospitals. Network counts are as of July 2023. ³CHI Franciscan Health and Providence Health & Services systems are in-network in Kitsap county. ⁴Cost savings based on comparison with Heritage, the largest Premera provider network. Actual savings will vary based on the location of Washington employees and types of services.
