This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-508-4722 or visit us at http://www.premera.com/SBC. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 1-800-508-4722.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	In-network: $4,500 Individual / $9,000 Family. Out-of-network: $9,000 Individual.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Does not apply to copayments, prescription drugs and services listed below as "No charge".	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services
What is the out-of-pocket limit for this plan?	In-network: $7,350 Individual / $14,700 Family. Out-of-network: Not applicable	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out–of–pocket limit?	Premiums, balance-billed charges, health care this plan doesn't cover, and penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See http://www.premera.com or call 1-800-508-4722 for a list of in-network providers.	You pay the least if you use a provider in our preferred network. You pay more if you use a provider in our non-preferred network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what our plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do I need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your overall deductible has been met, if a deductible applies.
