How to reset your password or unlock your account

USER TIPS FOR THE SECURE EMPLOYER WEBSITE

You will need

- A valid secure Employer Website account
- Either your user ID (to reset your password or unlock your account) or the email address associated with the account (to recover your User ID)

Steps

- 1. Go to the login page for the secure Employer Website.
- 2. Select the Forgot User ID/Password link.
- 3. To recover your user ID, enter your email address and select Send.
- 4. To reset your password or unlock your account, enter your User ID and select Send.

Notes

- If you have 3 consecutive unsuccessful login attempts, your account will automatically lock.
- Resetting your password also will unlock a locked account.
