

Select the right network for your business

Choose between Heritage and Dental Choice or Heritage Signature and Dental Choice

Premera Blue Cross provides a choice of networks so you can select the level of coverage that works best for your employees and business.

Heritage and Dental Choice

Available to groups with 1-50 employees

- Our broadest provider network with access to more than 9,200 primary care physicians and over 90 hospitals in Washington state
- Includes CHI Franciscan Health and Providence Health & Services systems
 - Providence hospitals and physicians
 - Kadlec Regional Medical Center and Kadlec Clinic
 - Swedish hospitals and physicians
 - Pacific medical centers
- Competitive network pricing and discounts

Consider choosing Heritage if:

- Having access to the most providers in Washington state is important to your employees
- Your employees live in an area where it is important to have in-network access to CHI Franciscan Health

Heritage Signature and Dental Choice

Available to groups with 1-50 employees

- Our large provider network with access to more than 47,000 practitioners, including 8,900 primary care doctors, and 84 hospitals across Washington state*
- Includes Providence Health & Services systems
- Does NOT include CHI Franciscan Health, except in Kitsap County
- Offers significant savings—your company could save up to 5% on premiums

Consider choosing Heritage Signature if:

- Offering the lowest-cost plan to your employees is more important than having the broadest access
- If the majority of your employees do not need in-network access to CHI Franciscan Health

Both networks include 3,400 dentists in the Dental Choice network to support embedded pediatric benefits.
