

FOR EMPLOYERS

Heritage and Dental Choice or Heritage Signature and Dental Choice

Which provider network is right for your business?

Premera Blue Cross provides a choice of networks so you can select the level of coverage that works best for your employee and business needs.

Heritage and Dental Choice

- Our broadest provider network with access to 99% of hospitals and primary care doctors in Washington state
- Includes CHI Franciscan Health and Providence Health & Services systems
- Competitive network pricing and discounts

Consider choosing this network if:

Check all that apply.

- Having access to the most providers in Washington state is important to your employees
- Your employees live in an area where it is important to have in-network access to CHI Franciscan Health

Heritage Signature and Dental Choice

- Our large provider network with access to more than 42,000 hospitals and primary care doctors in Washington state*
- Includes Providence Health & Services systems
- Does NOT include CHI Franciscan Health, except in Kitsap County
- Offers significant savings—your company could save up to 5% on premiums and your employees could save up to 5% on out-of-pocket costs**

Consider choosing this network if:

Check all that apply.

- Offering the lowest-cost plan to your employees is more important than having the broadest access
- If the majority of your employees do not need in-network access to CHI Franciscan Health

Both networks include 3,921 dentists in the Dental Choice network to support embedded pediatric benefits.

Did you check boxes under both network options?

Then consider offering both networks. Talk with your producer or Premera account manager to find out more about your options.

Both provider network options include the BlueCard™ Program – giving your employees national and worldwide access to participating doctors and hospitals.

*Network includes 41,872 providers and 90 hospitals.

**Cost savings are based on a comparison with Heritage and Dental Choice, Premera's largest provider network. Actual savings will vary based on the location of Washington employees and type of services.
