

Services available in Extended network

Some services might not be available in the Health Connect network. When unavailable, you can receive them from an Extended network provider at the in-network rate. That means lower out-of-pocket costs to you.

Those services include:

- Applied Behavior Analysis (ABA) therapy
- Audiology
- Chiropractic, acupuncture, and massage therapy
- Diagnostic services such as lab tests and x-rays
- Durable medical equipment
- Hearing aids
- Infertility treatment (available only through Progyny providers)
- Mental health and chemical dependency treatment
- Naturopathic care
- Nutritional therapy
- Optometry
- Physical, occupational, and speech therapy
- Transgender
