

Premera Medicare Advantage quick reference guide for 2019 plans

WHAT YOU NEED TO KNOW TO HELP CARE FOR OUR MEDICARE ADVANTAGE MEMBERS

Online tools and resources for our Medicare Advantage (MA) plans are different from our other plans. Here's what you'll need to know to help you care for Premera MA members.

ABOUT OUR PLANS

- We currently offer MA plans in Lewis, King, Pierce, Skagit, Spokane, Snohomish, Stevens, Thurston, and Whatcom, counties.
- We have nine different plans.
- Members can only access in-network providers. Check our [Medicare Advantage provider directory](#) to ensure you're referring MA patients to in-network providers.
- Referrals to most specialists are required.
- All members have a designated primary care provider (PCP). Members select a PCP during open enrollment. If the member doesn't select a PCP, Premera will assign one. The name of the PCP is on the back of the member's ID card.
- We recommend that you photocopy the front and back of the member's ID card during their first visit and keep it on file for the patient.

IDENTIFYING MEMBERS

- All MA ID cards have the ID prefix ZNP.
- The front of the card will say Medical Network: Medicare Advantage.
- You can learn more about our MA ID card and see a sample [here](#).
- Premera contact information is on the back of the card.
- The customer service number for MA is different from our other plans. Use the number on the back of the card for faster service.
- You can review the [About our Plans](#) guide available on our [MA provider website](#) to learn more about our plans.

PREMERA MEDICARE ADVANTAGE PROVIDER WEBSITE

- We have a separate website for Medicare Advantage. You need to access online tools and resources from our [Medicare Advantage provider website](#).
