Understanding the benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a provider.
- Review the provider directory (or ask your doctor) to make sure the doctor you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review our formulary (list of covered drugs) to see if your current prescription drugs are covered.
- To view a copy of plan-specific EOCs, a complete list of all prescription drugs covered by Premera Blue Cross Medicare Advantage, or access our full provider and pharmacy directories, visit us online at premera.com/ma or call **888-850-8526** (TTY: 711) 8 a.m. to 8 p.m., seven days per week from October 1 through March 31; or 8 a.m. to 8 p.m., Monday through Friday from April 1 to September 30.

Understanding important rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums, and/or copayments and coinsurance may change on January 1, 2024.
- Effect on current coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
