Your doctors. Our network.

Our provider network lets you use the doctors, dentists, and hospitals you know and trust. Premera Medicare Advantage members have access to our entire network of more than 22,000 providers. You can receive care from any doctor or hospital in our Medicare network, even if they are located outside of the county where your plan is offered. All you need is a referral from your primary care provider (PCP).

To see if your provider is in our network, visit premera.com/ma and click **Find care.**
