Understanding your health plan should be simple and easy

To help you understand key healthcare terms, review the glossary below.

Allowed amount: The amount Premera Blue Cross pays for healthcare services. When you receive services from in-network providers, you'll be responsible for cost shares (deductibles, copays, and coinsurance) and charges for services not covered by the health plan. The allowed amount for an out-of-network provider is determined by Premera Blue Cross. In-network providers will not bill you for charges over the allowed amount.

If you receive services from an out-of-network provider, you will be responsible for the difference between the allowed amount and the provider's billed charges, in addition to the deductible, coinsurance, and any applicable copay. This is called balance billing.

Coinsurance: Your percentage of the cost for a service. With the exception of some services, you pay 100% until your deductible is paid for the calendar year. After that, if your plan's coinsurance is 20%, you pay 20% of the allowed amount and your plan pays the other 80%.

Copay: This is a flat fee you pay for a specific service (such as an office visit) at the time you receive the service.

Cost share: The part of healthcare costs that a member pays, such as deductibles, coinsurance, and copay. It does not include monthly health plan bills, amounts balance billed by healthcare providers who are out of your plan network, or the cost of services not included in your plan.

Deductible: The amount you pay in medical costs before your health plan begins to pay. (The deductible does not apply to some services.) Amounts over the allowed amount for the service do not count toward the deductible.

Drug list: A list, sometimes called a formulary, of prescription drugs covered by the plan. Not all drugs are included in every drug list.

In network: Doctors, pharmacies, hospitals, and other healthcare providers that are contracted to provide services and supplies at negotiated amounts, called allowed amounts.

Out-of-pocket maximum: The maximum of allowed amounts you will pay for covered services from an in-network provider per calendar year. After you've met your out-of-pocket maximum, the plan pays 100% for in-network covered services for the rest of the year.

Plan covers at 100%: A benefit that does not require cost shares. You do not pay deductibles, coinsurance, or copays for services that are covered in full.

Urgent care: Conditions that need treatment right away but are not severe or life threatening. Out-of-network urgent care is subject to the deductible, then covered at 50%.

Virtual care: Talk with a provider by phone, texting, or online video.

General exclusions and limitations

Below is a list of some services and supplies that this health plan does not cover. A complete list of exclusions is available on premera.com/sebb.

Benefits are not provided for treatment, surgery, services, drugs, or supplies for any of the following:

- Services that are not medically necessary
- Cosmetic surgery or reconstructive surgery (except as specifically provided)
- Experimental or investigational services
- Assisted reproduction
- Weight loss drugs, foods, and exercise programs
- Services in excess of specific benefit maximums
- Services payable by other types of insurance, such as property insurance, liability insurance, or motor vehicle insurance
- Services received when you are not covered by this plan
- Services that the provider's license or certification does not allow them to perform. It also does not cover a provider that does not have the license or certification that the state requires.
- Sexual dysfunction
- Sterilization reversal

Some services, equipment, and drugs require prior authorization from Premera to be covered. For a list of services and procedures that require preapproval for coverage from your plan before you receive them, visit premera.com/sebb.

This document is not a contract. It is only a summary of major benefits provided by this plan. On our website, you can find the Summary of Benefits and Coverage (SBC) and benefits booklets.
