

Innovative health plans designed to meet your evolving healthcare needs

Your employees are at the center of all we do, even those located outside of Alaska. That's why your local Premera Blue Cross Blue Shield of Alaska team offers a range of comprehensive plans that fit your budget and your employees' diverse needs.

- **24-hour NurseLine, paid-in-full preventive care, and exceptional customer service** to help members navigate their health plan.
- An **extensive network of providers** ensures your employees get the best possible care in or outside of Alaska.
- A robust **virtual care** portfolio that provides the right care at the right time. Includes primary and urgent care, and behavioral health.
- **Matchmaker™ for Behavioral Health.** A highly personalized curated list of outpatient in-network behavioral health providers delivered by request for children and adults.
- **Premera mobile and MyCare apps** that help your employees find a doctor, access their digital ID card, review claims, and locate deductible plan cost shares at their fingertips.
- Thoughtful solutions that help your employees navigate and access high-quality and cost-effective healthcare, such as **Rx Savings Solutions, medical transportation benefits, and Premera Designated Centers of Excellence.**
- **Resources created just for YOU!** The **B'link** employee communications center has welcome flyers and emails, open enrollment materials, and ready-to-share communications and timelines specific to your plan offerings.
