A buy-up option for self-funded groups with 51 or more employees

ATTRACT AND RETAIN EMPLOYEES WITH HIGH-VALUE SPECIALTY CARE

Premera Designated Centers of Excellence make it easy for your employees to get predictable, high-value specialty care. For your employees, this means we are taking the guesswork out of selecting quality providers for their specialty care procedures.

Employers can choose from these specialty care areas included in the Premera Designated Centers of Excellence program:

- Total joint replacement (knee and hip)
- Spine surgery
- Cardiac care
- Bariatric surgery

Additional specialty care areas are available.

Ask your Premera Blue Cross representative or producer how Premera Designated Centers of Excellence can make a difference for your health plan.

THE “WOW” FACTOR

Premera Designated Centers of Excellence removes the guesswork and headache from the process of finding high-value specialty care. Your employees who qualify for this program will get enhanced benefits including:

- Low- to no-cost specialty care with clinical criteria to improve patient health outcomes
- Travel benefits that include airfare, ground transportation, and lodging
- Personal support from experts who coordinate care, schedule appointments, and make pre-paid travel arrangements
