

Livongo

LIVONGO PROMO PACKAGE

Livongo provides monitoring and health management support to Premera members who have been diagnosed with common chronic conditions, including diabetes, pre-diabetes, and hypertension.

This no-cost benefit combines advanced technology with personalized coaching and empowers your employees to make better decisions by providing digital tools and real-time tips. Livongo also connects employees to Certified Diabetes Educators, 24-hours a day, 365 days a year. Customized offerings are given to employees based on condition, with unique support for people that are prediabetic, diabetic or have hypertension.

Ready-to-share resources

Livongo has provided the following materials to help you introduce this new primary care center to your employees.

Diabetes
