

Get the most out of your plan

Now that you're a Premera Blue Cross health plan member, explore all the benefits available to you.

Explore your benefits

Sign in or create an account on premera.com to access your current benefit information. Create an account for everyone enrolled in your plan.

Need a provider?

Sign in to premera.com and use the Find Care tool. Your network name is on your Premera member ID card. Browse by category for fast results. You can even compare procedure costs.

Primary care clinics in Washington

Kinwell providers can treat you and your family from head to toe. Be seen in the office or virtually. [Find a Kinwell clinic.](#)

Go paperless

Ditch the paper! Read your Explanation of Benefits (EOB) online. We'll send you an email when a new EOB is available to view. An EOB is not a bill. It explains your plan benefits and whether you are owed a refund. Enroll to receive a paperless EOB by signing in to premera.com and going to your Account Settings.
