

Quick tips: Boost your mental health

MENTAL HEALTH IS JUST AS IMPORTANT AS PHYSICAL HEALTH, AND YOUR PREMERA PLAN PROVIDES COVERAGE FOR BOTH. BOOST YOUR MENTAL HEALTH BY TRYING SOME OF OUR TIPS BELOW!

Download a mindfulness app

Don't know where to start with mindfulness or meditation? Download a mindfulness app to guide you through the process—plus, the app can send a notification to remind you to take a break!

Get outside

Taking a walk or going for a jog or hike are sure-fire ways to boost your endorphins. Plus, getting some Vitamin D is always a good idea in the Pacific Northwest!

Take a screen break

Phones, computers, and the internet can consume your day. Close the social media apps, and set your phone aside for a couple hours. Pick up a book, go for a walk, or do something crafty!

Hydrate

Water is your body's fuel, and your brain depends on hydration to work properly. If you have trouble remembering to hydrate, consider carrying a water bottle with you so you always have H2O on the go!

Reach out to friends and family

Humans need social interaction, so don't forget to connect with others. Catch up with an old friend or a long-distance relative with a phone call or video chat—it's good for the soul!
