Important Questions	Answers	Why this Matters:
What is the overall deductible?	$0	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	No.	This plan does not have a deductible.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Not applicable.	This plan does not have an out-of-pocket limit on your expenses.
What is not included in the out-of-pocket limit?	Not applicable.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See Legacy and Dental Select medical network. For a list of in-network providers, see http://www.premera.com or call 1-800-809-9361.	You pay the least if you use a provider in our preferred network. You pay more if you use a provider in our non-preferred network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your overall deductible has been met, if a deductible applies.
