I. Legal and regulatory requirements

Helpful Hint: We strongly urge you to consult legal counsel in answering the questions below. The summaries below are not intended to be or to replace legal advice on your particular group. It is the group's responsibility to inform Premera immediately if facts change which would cause the group's answers below to change.

Is the group subject to the federal Medicare Secondary Payer (MSP) laws that prohibit discrimination against individuals with group coverage based on their (or a spouse's) current employment status who have Medicare due to age? Select one.

- Yes, this plan will pay primary to Medicare as required by federal law.
- No because there are under 20 employees

Helpful Hint: These laws do not apply to any employer who did not employ 20 employees or more for each working day in each of 20 or more calendar weeks in either the current or preceding calendar year. For these small group plans, Medicare pays primary to the group plan. "Employees" include all full-time and part-time employees as well as those employees on disability and subject to FICA taxes. Also count leased employees if they would be counted as employees under §414(n)(2) of the Internal Revenue Code (IRC), and count employees employed by an "affiliated service group" under IRC §414(m) or by employers considered to be a "single employer" under IRC §52(a) or (b).

Is the group subject to COBRA? Select one.

- Yes
- No. Give the legal reason for exemption _____

Helpful Hint: Generally, these laws apply to any non-church employer that employed 20 or more employees on at least 50% of its working days in the preceding calendar year. "Employees" are full-time and part-time common-law employees. Self-employed workers as defined in IRC §401(c)(1), corporate directors, or independent contractors should not be counted unless they qualify as common-law employees. "Employees" may also include leased employees who qualify as common-law employees. Please see COBRA regulations at 26 CFR § 54.4980B-2 Q/A 5 for guidance on counting a part-time employee as a fraction of a full-time employee.

"Employees" include all full-time and part-time employees as well as those employees on disability and subject to FICA taxes. Also count leased employees if they would be counted as employees under §414(n)(2) of the Internal Revenue Code (IRC), and count employees employed by an "affiliated service group" under IRC §414(m) or by employers considered to be a "single employer" under IRC §52(a) or (b).

New non-grandfathered groups with a plan effective date in the middle of the calendar year can ask Premera to apply credit toward members’ out-of-pocket maximum on the group’s new Premera plan. When the group provides the data, Premera will credit the members’ coinsurance, copays, and deductible amounts required by the group’s prior plan that the members paid in the same calendar year as the group’s effective date under the new Premera plan.

I affirm that this group is considered an employer under ERISA, is not considered a MEWA, has a physical location in the state of Alaska, and I am authorized to sign on behalf of the group.
