

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-809-9361 (TTY: 711) or visit us at <https://www.premera.com/ak/SBC>. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, Provider, or other underlined terms see the Glossary. | Important Questions  | Answers  | Why This Matters:   |
|--|--|---|
| <b>What is the overall deductible?</b>                             | <u>In-network</u> : \$800 Individual / \$1,600 Family<br><u>Out-of-network</u> : \$1,600 Individual  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| <b>Are there services covered before you meet your deductible?</b> | Yes. Does not apply to <u>copayments</u> , certain <u>prescription drugs</u> and services listed below as "No charge."   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| <b>Are there other deductibles for specific services?</b>          | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| <b>What is the out-of-pocket limit for this plan?</b>              | <u>In-network</u> : \$3,000 Individual / \$6,000 Family<br><u>Out-of-network</u> : Not Applicable  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own out-of-pocket limits until the overall family <u>out-of-pocket limit</u> has been met.  |
| <b>What is not included in the out-of-pocket limit?</b>            | <u>Premium</u> , <u>balance-billed</u> charges, penalties for failure to obtain pre-authorization for services, and health care this plan doesn't cover.                                 | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .  |
| <b>Will you pay less if you use a network provider?</b>            | Yes. See Legacy and Dental Select medical network. For a list of <u>in-network providers</u> , see <a href="https://www.premera.com">https://www.premera.com</a> or call 1-800-809-9361. | You pay the least if you use a <u>provider</u> in our preferred network. You pay more if you use a <u>provider</u> in our non-preferred network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| <b>Do you need a referral to see a specialist?</b>                 | No.  | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All copayment and coinsurance costs shown in this chart are after your overall deductible has been met, if a deductible applies.

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors.
