

Primary care starts at Kinwell

Meeting the needs of our members

Kinwell has 16 locations across Washington state with over 300,000 members within 5 miles of a Kinwell clinic. Every location offers Premera Blue Cross members an advanced primary care model that treats the whole member from head to toe.

A turning point in primary care

Kinwell takes a whole-person care approach to ensure their patients receive the right care with the right provider.

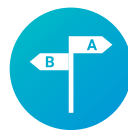

Whole-person care

Coordinated, quality care with integrated behavioral health and wellness

Longer appointments

Extended appointment times help establish a better patient-provider relationship

Convenient access

In-person or virtual care appointments meet members where they are

Timelier appointments

Accessible appointment times get members the care they need

Contact your Premera sales representative to find out more about how Kinwell can benefit your employer groups.
