

# Primary care starts at Kinwell

## Expanding access to care

Kinwell is an all-new, in-network primary care provider specifically designed for Premera members.

Kinwell clinic locations are designed to meet members where they are, furthering the Premera mission to make healthcare work better for our members.

## Meeting the needs of our members

Kinwell takes an integrated approach to care, which creates a patient-focused environment. Primary care, behavioral health, and chronic conditions can all be treated at Kinwell.

## A turning point in primary care

Premera members benefit from more time with their providers, a welcoming atmosphere, online appointment scheduling, as well as same and next-day appointments.

### ACCESS

In-person or virtual same- or next-day appointments (compared to 4 to 6 weeks with other providers)<sup>1</sup>

### NETWORK

As Kinwell clinics expand across Washington, so too does our trusted network of providers

### LOCATION

4 Kinwell clinics are in Washington counties identified as having the highest primary care shortages<sup>2</sup>

**Kinwell clinics are accessible to all Premera cardholders. Visit [kinwellhealth.com](https://kinwellhealth.com) to find out more. Contact your Premera sales representative today to learn how access to Kinwell can benefit your employer groups.**
