- Use the **Find a Doctor** search directory under the **Find Care** menu.
- Browse by **Category** using the **Other Services** tile and select **Pharmacy** from the drop-down list.

## Find additional information about your pharmacy benefits at **premera.com**, including:

- How to save money on medications

Scan the QR code to download the free Premera app.

**PLEASE NOTE:** Kroger pharmacies are out of network for your pharmacy plan because they have ended their provider agreement with Express Scripts, an independent company that manages pharmacy benefits on behalf of Premera. **Kroger pharmacies include QFC and Fred Meyer.**

**If you fill prescriptions at an out-of-network pharmacy, you will likely pay the full price for medications, or the pharmacy may deny the fill.** You can limit your out-of-pocket costs by filling prescriptions at an in-network pharmacy whenever possible.
