Premera Individual Signature network overview

KEY FACTS

- The Premera Individual Signature network has 30,000+ providers.

- Access to a wide range of in-network specialists, alternative care providers, and behavioral and mental health professionals.

- Key hospital systems include Swedish, Providence, MultiCare, and University of Washington Medical Center.

- Emergency care is paid at the in-network level. Members can receive in-network emergency care from any hospital.

- Out-of-network hospitals cannot balance bill patients for emergency services.

- The Premera Individual Signature network includes urgent care centers. When members need timely care, they can visit an in-network urgent care instead of the ER.

- Virtual visits are a convenient option for everyday, urgent, and mental health care.

- Members have exclusive access to primary care at Kinwell clinics. Find out more at **kinwellhealth.com**.
