

Bladder Control

FREQUENTLY ASKED QUESTIONS (FAQ)

Member questions

<p>Why is bladder control important?</p>	<p>One of the most common bladder problems that people experience is urinary incontinence, which is the involuntary leakage of urine. If left unmanaged or untreated, bladder control issues may cause discomfort, embarrassment, and restrict your regular social and physical activities.</p> <p>There are different types of urinary incontinence:</p> <ul style="list-style-type: none">• Stress incontinence is when urine leaks as pressure is put on the bladder, such as during exercise or sneezing• Urge incontinence is when there is a sudden need to urinate• Overflow incontinence is when small amounts of urine leaks from a bladder that is always full• Functional incontinence is when urine leaks because you have trouble getting to the bathroom
<p>What causes bladder control problems?</p>	<p>Urine is produced by the kidney, stored in the bladder, and exits the body through the urethra. With age, the bladder muscle becomes less elastic and cannot hold as much urine.</p> <p>In addition to age, other possible causes of bladder control problems include urinary tract infection, weakened bladder or pelvic floor muscles, nerve damage to the bladder, and chronic conditions like diabetes or obesity.</p>
<p>How can I improve my bladder control?</p>	<p>There are many ways to manage urinary incontinence. You can improve your bladder control by:</p> <ul style="list-style-type: none">• Doing pelvic floor exercises• Drinking enough fluids, especially water

	<ul style="list-style-type: none"> • Using the bathroom often and when needed <p>In addition, treatment options like medications and medical devices can help improve bladder control. Skin breakdown caused by urine leakage can also be treated with skin care products.</p>
<p>How can my doctor help me improve my bladder health?</p>	<p>If you have trouble controlling your bladder, it is important to let your doctor know. Your doctor can evaluate your bladder health and create a plan to help address urinary incontinence.</p> <p>You may be rewarded for talking about bladder control with your Primary Care Provider (PCP) through our Healthy Rewards program. Sign in to Premera.com/HealthyRewards to learn more.</p> <p>If you need a PCP, you can use our Find a Doctor tool found on Premera.com/ma or call customer service at 888-850-8526 (TTY: 711), 8 a.m. to 8 p.m., Monday through Friday, April 1 through September 30 (seven days a week from October 1 through March 31).</p>

Notice of Nondiscrimination
