Foster a healthy workforce with Blue365

Encourage a healthier and more productive workforce with this free, comprehensive program that can help to combat rising medical costs and build a culture of well-being.

Introducing our health and wellness discount program

Blue365 is a free health and wellness discount program offered through the Blue Cross and Blue Shield (BCBS) system—**now available to Premera Blue Cross members starting October 1, 2025**. Blue365 offers year-round discounts on gym memberships, fitness gear, hearing aids, prescription glasses, healthy eating options and more. The value-added program isn't included in health plan benefits or coverage and doesn't impact premium costs.

Your group plan members will have free access to the industry's best health-and-wellness discounts through Blue365. They'll get:

- **Handpicked deals:** access to recognizable premium brands
- **Better discounts:** deeper discounts than members would find shopping on their own
- **Exclusive offers:** deals only available to Blue365 members that can't be found elsewhere
- **Year-round discounts:** savings available 365 days a year, with no limit on quantities purchased

Employers will benefit from:

- **Minimal set-up:** no administration or claims-related integrations necessary for human resources teams
- **Group discounts:** exclusive enterprise discounts to support employee health and wellness programs
- **Access to healthy tips articles:** healthy tips for employers, providing actionable insights to develop a culture of wellness at your organization
