

Nationwide dental coverage from the brand you trust

DENTAL CHOICE JOINS ONE OF THE NATION'S LARGEST DENTAL NETWORKS

For small group adult dental plans

Premera Blue Cross is expanding the Dental Choice network by joining the national Dental GRID¹, one of the country's leading national dental networks exclusively for members of participating Blue Cross Blue Shield plans.

With the GRID+ network, the Dental Choice network will nearly double in size for all adult dental plans.

125K+

dental providers nationwide with over 490K access points²

30% Average member savings on their covered in-network dental services³

INCREASED ACCESS

More than 125,000 dentists and 490,000 access points² across all 50 states and D.C.—ensuring your employees can find in-network care wherever they live, work, or travel.

LOWER COSTS

Members save an average of 30% on in-network dental services³ through our exclusive Blue plan partnerships—reducing out-of-pocket costs and balance billing.

BETTER EXPERIENCE

One ID card. One customer service team. One seamless experience. Members can easily find an in-network dentist using the Find a Doctor tool on the Premera mobile app or website.

¹The GRID Dental Corporation is a separate company that provides access to dental networks and services on behalf of participating Blue Cross Blue Shield plans.

²Zelis Network360 Competitive Dashboard report January 2025.

³Estimated in-network discount. Actual discount may vary.

For employers who want to offer more

Combined medical and dental plans offer convenience, better health outcomes, and lower total cost of care. With Dental GRID+, your clients can offer a dental plan that delivers:

National reach with local expertise

Simple administration with integrated tools and support

Whole-member focus with enhanced benefits for high-risk conditions

DID YOU KNOW?

All small group medical plans include an embedded pediatric benefit, but for employees living outside of Washington state or Alaska, adding an adult dental plan will provide greater access and reduced out-of-network claims.
