

Price Assure

Embedded discount card program provides automatic savings for members

What is Price Assure?

Price Assure is a discount card program powered by Express Scripts and GoodRx. Price Assure automatically finds the lowest available price for non-specialty generic drugs at the point of sale.

How it works

- 1 The member fills their prescription at an in-network pharmacy
- 2 Price Assure compares the member's benefit cost against pricing available from GoodRx
- 3 The member automatically receives the lowest available cost at point of sale.

- Benefits to employers**
- No additional cost
 - Included with every pharmacy plan
 - Improved employee satisfaction with their plan

- Benefits to members**
- No extra steps
 - Payments count toward deductible and out-of-pocket maximum¹
 - Each prescription is assessed for drug interactions
 - Eligible for 30-and-90-day prescription fills at retail pharmacy

Price Assure availability

Fully insured	Included with every pharmacy plan
OptiFlex	Included with every pharmacy plan

\$2M

Available member savings across all fully insured and OptiFlex groups

Contact your Premera account representative for more information.

¹Members with high-deductible health plans are responsible for the full cost of the medication until they meet their deductible.

²Right Price is a program available through our agreement with Express Scripts. Right Price pulls a discount market price check into the existing "lesser of" logic for pharmacy adjudications of non-specialty retail generic claims.

Price Assure is a program available through our agreement with Express Scripts. Express Scripts by Evernorth is an independent company that provides pharmacy services on behalf of Premera Blue Cross.
