Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

**Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

***Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

DISCLOSURES

Use this outline to compare benefits and subscription charges among contracts.

READ YOUR CONTRACT VERY CAREFULLY

This is only an outline describing your contract's most important features. The contract is your insurance contract. You must read the contract itself to understand all of the rights and duties of both you and your Medicare supplement carrier.

RIGHT TO RETURN CONTRACT

If you find that you are not satisfied with your contract, you may return it to PO Box 327, MS 295, Seattle, Washington 98111. If you send the contract back to us within 30 days after you receive it, we will treat the contract as if it had never been issued and return all of your payments.

POLICY REPLACEMENT

If you are replacing another health insurance policy, do *NOT* cancel your existing policy until you have actually received your new contract and are sure you want to keep it.

NOTICE

This contract may not fully cover all of your medical costs. Neither Premera nor its producers are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult *Medicare and You* for more details.

COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new contract, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your contract and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

G Authorization and verification of information

I, the undersigned, apply for enrollment with Premera Blue Cross Blue Shield of Alaska (Premera). I represent that all statements and answers on this application are complete and true. I understand coverage is available to me due to: (1) my residing in Alaska, (2) my enrollment in Medicare Parts A and B, (3) my eligibility for Medicare due to age (65 or over), and (4) I don't receive Medicaid assistance other than payment of my Medicare Part B premium. I understand and agree that coverage does not begin until Premera accepts this application and assigns an effective date of coverage and that receipt of my money (cash, check or money order) does not constitute enrollment under any Medicare Supplement program. I authorize Premera, at its option, to pay providers directly for services rendered. I also understand and agree that Premera may:

- 1. Accept this application; or
- 2. Deny this application, in which case any subscription charges submitted will be refunded to, and accepted by me; or
- 3. Within the first two years of my coverage, void my contract (in other words, cancel my coverage back to its effective date, as if never existed at all) if I have made any intentionally false or misleading statements on this application or enrollment form that are material enough to affect my acceptability for coverage.

I understand that Premera may collect, use, and disclose personal information about me as required or permitted by law or to perform routine business functions, such as determining my eligibility for enrollment, credit for waiting periods, and benefits; paying claims; and fulfilling other obligations stated in its contract with me. If Premera discloses my personal information for any other reason, Premera will first remove any data that can be used to easily identify me or will get my signed authorization.

I further understand that any physician, health care provider, hospital, insurance or reinsurance company, pharmacy benefits manager or third party benefits administrator may disclose my personal health information, including any and all diagnostic, procedural, treatment, claim, prescription or other health related information including records concerning alcohol and/or chemical dependency, reproductive health (including abortion), sexually transmitted diseases, HIV, AIDS, psychiatric disorders and mental illness to Premera or its representatives as allowed by law.

I understand that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits.

I understand that the Medicare Supplement contract will not pay benefits during the first three months after the effective date for any condition for which I have had treatment, medicine or diagnostic testing within the three months prior to my effective date. I understand that, under certain conditions, this limitation may be shortened or waived. **The waiting period may be waived if I apply for this contract within 63 days of leaving other healthcare coverage and I provide proof with this application.**

I understand I am responsible for canceling any prior coverage.

If you answered yes to questions 3 or 4 in Section E, you must complete and sign the attached replacement notice.

I acknowledge receipt of the **Guide to Health Insurance for People with Medicare** and the Outline of Coverage.

I have read all information and have answered all questions to the best of my ability.

**ALASKA
Notice to Applicant Regarding
Replacement of Medicare Supplement or
Medicare Advantage Coverage**

P.O. Box 327
Seattle, WA 98111-0327

Applicant last name _____ First name _____ Subscriber ID number _____

Save this notice! It may be important to you in the future!

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a contract to be issued by Premera Blue Cross Blue Shield of Alaska. Your new contract will provide 30 days within which you may decide, without cost, whether you desire to keep the contract.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other disability coverage you have that may duplicate this contract.

Statement to applicant by issuer, producer or other representative

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement contract will not duplicate your existing Medicare supplement or Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan.

The replacement contract is being purchased for the following reason (please check one):

- Additional benefits
- No change in benefits, but lower premiums
- Disenrollment from a Medicare Advantage Plan.
- Fewer benefits and lower premiums
- Plan has outpatient prescription drug coverage and I am enrolling in Part D

Please explain reason for disenrollment: _____

Other (please specify): _____

- (1) Health conditions that you might presently have (pre-existing conditions) may not be immediately or fully covered under the new contract. This could result in denial or delay of a claim for benefits under the new contract, whereas a similar claim might have been payable under your present policy.
- (2) State law provides that your replacement contract may not contain new pre-existing conditions, waiting periods, elimination periods or probationary periods. Premera Blue Cross Blue Shield of Alaska will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new contract to the extent such time was spent (depleted) under the original policy.
- (3) If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your subscription charges as though your contract had never been in force.

After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new contract and are sure that you want to keep it.
