E Other Healthcare Information

Please review the statements below, then answer all questions to the best of your knowledge.

- You do not need more than one Medicare Supplement insurance policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- If you are 65 or older, you may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of suspension.
- If you are eligible for and have enrolled in a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health benefit plan. If you suspend your Medicare Supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage but will otherwise be substantially equivalent to your coverage before the date of the suspension.

F Do I need to complete health questions?

When applying for Plan A, C, G, High Deductible G, or N, you do not need to complete Section G if any of the following is true.

1. Your Medicare managed care plan or PACE program coverage ends because the plan is leaving the Medicare program, stops giving care in your area, or you move out of the plan's service area, and you apply for Medicare Supplement (Medigap) coverage after you receive notice that your coverage is terminating or ceasing, and no later than 63 days after your coverage terminates or ceases.
2. Your employer group health plan coverage that supplements the benefits under Medicare ends or ceases to provide all such supplemental benefits to you, and you apply for Medicare Supplement (Medigap) coverage after (a) your coverage is met or ceases, or (b) you receive notice that your coverage is terminating or ceasing, whichever is later, and no later than 63 days after your coverage terminates.
3. Your Medicare Supplement (Medigap) insurance company goes bankrupt, and you lose your coverage, or your Medicare Supplement (Medigap) policy coverage ends through no fault of your own, and you apply for Medicare Supplement (Medigap) coverage beginning on the earlier of your coverage terminating or you are receiving notice of termination or bankruptcy, and no later than 63 days after your coverage terminates.
4. You enrolled in a Medicare Part D plan during your initial enrollment period and were enrolled under a Medicare Supplement (Medigap) policy that covers outpatient prescription medications, and you apply for Medicare Supplement (Medigap) coverage up to 60 days before the initial Medicare Part D enrollment period and no later than 63 days after the effective date of your Medicare Part D coverage. Please enclose proof of enrollment in Medicare Part D.
5. You joined a Medicare Advantage or PACE program when you were first eligible for Medicare Part A (and you're enrolled in Medicare Part B). 6. You dropped a Medicare Supplement (Medigap) policy to join a Medicare Advantage or PACE program for the first time and now you want to leave. You have been in the plan for no more than a year and you apply for a Medicare Supplement (Medigap) policy up to 60 days before and no later than 63 days after your plan terminates. A health statement is not required if you enroll in the same Medicare Supplement (Medigap) policy (with the same company) that you had previously, if available.
7. You leave a Medicare Advantage plan or drop a Medicare Supplement (Medigap) plan because the company or its representatives haven't followed the rules or misled you, and you apply for a Medicare Supplement (Medigap) policy up to 60 days before and no later than 63 days after your plan terminates.
8. You currently are enrolled in a standardized Medicare Supplement (Medigap) plan issued in 1990 or later, and you wish to switch to a plan with either greater, equal, or lesser benefits. (For example, from a 1990 standard Plan F to a 2010 standard Plan F.) Exception: if you have Plan A, you can only switch to Plan A without requiring underwriting.

H Authorization and Verification of Information

I, the undersigned, apply for enrollment with Premera Blue Cross (Premera). I represent that all statements and answers on this application are complete and true. I understand coverage is available to me due to: (1) my residing in Washington (excluding Clark County). (2) my enrollment in Medicare Parts A and B, (3) my eligibility for Medicare due to age (65 or over), and (4) I don't receive Medicaid assistance other than payment of my Medicare Part B premium. I understand and agree that coverage does not begin until Premera accepts this application and assigns an effective date of coverage and that receipt of my money (cash, check or money order) does not constitute enrollment under any Medicare Supplement program. I authorize Premera, at its option, to pay providers directly for services rendered. I also understand and agree that Premera may:

1. Accept this application; or
2. Deny this application, in which case any subscription charges submitted will be refunded to, and accepted by me; or
3. Within the first two years of my coverage, void my contract (in other words, cancel my coverage back to its effective date, as if never existed at all) if I have made any intentionally false or misleading statements on this application or enrollment form that are material enough to affect my acceptability for coverage.

I understand that Premera may collect, use, and disclose personal information about me as required or permitted by law or to perform routine business functions, such as determining my eligibility for enrollment, credit for waiting periods, and benefits; paying claims; and fulfilling other obligations stated

in its contract with me. If Premera discloses my personal information for any other reason, Premera will first remove any data that can be used to easily identify me or will get my signed authorization.

I further understand that any physician, healthcare provider, hospital, insurance or reinsurance company, pharmacy benefits manager or third party benefits administrator may disclose my personal health information, including any and all diagnostic, procedural, treatment, claim, prescription or other health related information including records concerning alcohol and/or chemical dependency, reproductive health (including abortion), sexually transmitted diseases, HIV, AIDS, psychiatric disorders and mental illness to Premera or its representatives as allowed by law.

I understand that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits.

I understand that the Medicare Supplement contract will not pay benefits during the first three months after the effective date for any condition for which I have had treatment, medicine, or diagnostic testing within the three months prior to my effective date. I understand that, under certain conditions, this limitation may be shortened or waived. **The waiting period may be waived if I apply for this contract within 63 days of leaving other healthcare coverage and I provide proof with this application.**

I understand I am responsible for canceling any prior coverage.

If you answered yes to questions 2 or 3 in Section E, you must complete and sign the attached replacement notice.

I acknowledge receipt of the Guide to Health Insurance for People with Medicare and the Outline of Coverage.

I have read all the information and have answered all questions to the best of my ability.
