G Authorization and verification of information

I, the undersigned, apply for enrollment with Premera Blue Cross (Premera). I represent that all statements and answers on this application are complete and true. I understand coverage is available to me due to: (1) my residing in Washington (excluding Clark County), (2) my enrollment in Medicare Parts A and B, (3) my eligibility for Medicare due to age (65 or over), and (4) I don't receive Medicaid assistance other than payment of my Medicare Part B premium. I understand and agree that coverage does not begin until Premera accepts this application and assigns an effective date of coverage and that receipt of my money (cash, check or money order) does not constitute enrollment under any Medicare Supplement program. I authorize Premera, at its option, to pay providers directly for services rendered. I also understand and agree that Premera may:

1. Accept this application; or
2. Deny this application, in which case any subscription charges submitted will be refunded to, and accepted by me; or
3. Within the first two years of my coverage, void my contract (in other words, cancel my coverage back to its effective date, as if never existed at all) if I have made any intentionally false or misleading statements on this application or enrollment form that are material enough to affect my acceptability for coverage.

I understand that Premera may collect, use, and disclose personal information about me as required or permitted by law or to perform routine business functions, such as determining my eligibility for enrollment, credit for waiting periods, and benefits; paying claims; and fulfilling other obligations stated in its contract with me. If Premera discloses my personal information for any other reason, Premera will first remove any data that can be used to easily identify me or will get my signed authorization.

I further understand that any physician, health care provider, hospital, insurance or reinsurance company, pharmacy benefits manager or third party benefits administrator may disclose my personal health information, including any and all diagnostic, procedural, treatment, claim, prescription or other health related information including records concerning alcohol and/or chemical dependency, reproductive health (including abortion), sexually transmitted diseases, HIV, AIDS, psychiatric disorders and mental illness to Premera or its representatives as allowed by law.

I understand that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits.

I understand that the Medicare Supplement contract will not pay benefits during the first three months after the effective date for any condition for which I have had treatment, medicine or diagnostic testing within the three months prior to my effective date. I understand that, under certain conditions, this limitation may be shortened or waived. **The waiting period may be waived if I apply for this contract within 63 days of leaving other healthcare coverage and I provide proof with this application.**

I understand I am responsible for canceling any prior coverage.

If you answered yes to questions 3 or 4 in Section E, you must complete and sign the attached replacement notice.

- I acknowledge receipt of the *Guide to Health Insurance for People with Medicare* and the Outline of Coverage.

I have read all information and have answered all questions to the best of my ability.

Notice to Applicant Regarding Replacement of Medicare Supplement or Medicare Advantage Coverage

P.O. Box 327
Seattle, WA 98111-0327

Applicant last name

First name

Subscriber ID number

Save this notice! It may be important to you in the future!

According to your application, you intend to terminate existing Medicare Supplement or Medicare Advantage insurance and replace it with a contract to be issued by Premera Blue Cross. Your new contract will provide thirty (30) days within which you may decide, without cost, whether you desire to keep the contract.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare Supplement coverage is a wise decision, you should terminate your present Medicare Supplement or Medicare Advantage coverage. You should evaluate the need for other disability coverage you have that may duplicate this contract.

Statement to applicant by issuer, producer or other representative

We have reviewed your current medical or health insurance coverage. To the best of our knowledge, this Medicare Supplement contract will not duplicate your existing Medicare Supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare Supplement coverage or leave your Medicare Advantage plan.

The replacement contract is being purchased for the following reason(s):

- | | |
|--|---|
| <input type="checkbox"/> Additional benefits | <input type="checkbox"/> Fewer benefits and lower premiums |
| <input type="checkbox"/> No change in benefits, but lower premiums | <input type="checkbox"/> Plan has outpatient prescription drug coverage and you are enrolling in Part D |
| <input type="checkbox"/> Disenrollment from a Medicare Advantage Plan. | |

Please explain reason for disenrollment: _____

Other (please specify): _____

- If you have had your current Medicare Supplement policy less than three months, health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new contract. This could result in denial or delay of a claim for benefits under the new contract, whereas a similar claim might have been payable under your present policy.
- State law provides that your replacement contract or certificate may not contain new pre-existing conditions, waiting periods, elimination periods or probationary periods. Premera Blue Cross will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new contract to the extent such time was spent (depleted) under original policy.
- If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your subscription charges as though your contract had never been in force.

After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new contract and are sure that you want to keep it. If you have any questions, please call us at 1-800-752-6663 or contact your producer.
