Special Enrollment rights

If you are declining enrollment for yourself or dependents because of other healthcare coverage, in the future you may enroll yourself or your dependents in

this plan prior to the next open enrollment period. To do this you must have involuntarily lost your other coverage and we must receive your enrollment application within 60 days after your other coverage ended. Additionally, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and dependents, provided we receive your completed enrollment application within 60 days after the event, unless a different time limit has been specified in your benefit booklet.

Late enrollees and state continuation of coverage

A late enrollee is an individual or family dependent who did not enroll when first eligible for coverage under this plan. A late enrollee doesn't qualify as a special enrollee. If you or your dependents are late enrollees, you may enroll during the next annual group enrollment period.

If you are enrolling under state continuation of coverage (COC), the eligible period of coverage cannot exceed 3 months
