

Premera HMO Core Plus member primary care provider (PCP) search and select

Premera HMO Core Plus members and their dependents can choose an in-network **PCP** when they're signed in to their account on premera.com. Members or their dependents can also change their PCP at any time using the prompts provided.

Members can see which PCP has been identified for them and view detailed information about the PCP. They can either choose to accept or change the provider.

PREMERA HMO

Your Plan's Primary Care

You can either search for a primary care provider (PCP) or get matched with a PCP by sharing your preferences.
