

Some users who log in are seeing an error message that says **“This screen requires a secure connection. You may need to return to the home page and explicitly prefix the home page with “https”.**”

Steps to correct this error:

- 1) Login with your username/password
- 2) If the error message appears, edit the page URL in address box in browser, remove **“redirectFormHTTP”** from URL in address box and click “Enter” button on keyboard

PREMERA | BLUE CROSS

> Login to the Agent Center

* Username: isyemel

* Password: ●●●●●●●●

LOGIN

2) If the error screen shows below

3) Then edit the page URL in address box in browser, remove “**redirectFormHTTP**” from URL in address box and click “Enter” button on keyboard

Sample URL before edit

Sample URL after edit

4) Agent home dashboard will show up and agent can use the site as they do now

A screenshot of the Premera Blue Cross agent home dashboard. The header features the Premera Blue Cross logo. Below the header, the text "Welcome, Isy" is displayed. The dashboard is divided into several sections: "My Shopping Center URL" with a link to https://pbcwama.inshealth.com/?allid=Pre39334&agentid=221398 and a "GENERATE A QUOTE" button; "Application Count Snapshot" showing 0 Proposals, 0 Incomplete, 0 Pending Producer Action, and 0 Pending; "Agent Assistance" with contact numbers 800-752-6663 and 877-205-9725, and a photo of a smiling woman; and "Message Center" with a link to "See All Messages".
